

PREPARE FOR YOUR YOU+ CONVERSATION

Your YOU+ conversation is simply that, a conversation. The goal of the conversation is for you to develop a simple game plan to grow your faith over the next year. Your facilitator is there to help you come up with ideas and develop your faith goals. You will want to take a copy of your survey for your facilitator. If you lost your survey or had trouble accessing your survey, email our You+ Coordinator (youplus@launchPoint.cc) who can send your survey to you. Be sure to provide your name and email to the You+ Coordinator.

If you identified someone as your facilitator at the end of your survey, please reach out to them to set a time to meet with them. If you marked that you wanted a LaunchPoint Facilitator, someone will connect with you in the next few days. Please check your email frequently. (If you don't hear from anyone, please text the church at 909-295-2013)

In preparation for your conversation think please review the 3Cs and consider the questions below. These are some of the things you will talk about during your YOU+ Conversation.

You+ God

The You+ God connection of LaunchPoint is about you developing a relationship with God and growing in spiritual disciplines. As we grow in this connection, we will see ourselves becoming more and more like Jesus.

As you think about your connection to God (YOU+ God), what image, picture, or phrase would you use to describe that relationship? In what ways do you hope your relationship with God would grow?

You+ the Church

The You+ Church connection of LaunchPoint is about connecting with others to find your way back to God, connect in a LifeGroup, and serve others on a team. As we grow in this connection, we develop community with others and the skills to help even more people find their way back to God.

The You+ the Church section encourages us to grow in how we relate to and care for our church family and others we would consider family. How satisfied are you in each of those circles of relationships?

You+ the World

The You+ World connection of LaunchPoint is about God's calling to be a catalyst for transformation in our communities, both locally and globally. As we grow in this connection, we hope to meet immediate needs, develop relationships with those who are different than us, and work toward our communities becoming places of peace, justice, and compassion.

After thinking through the You+ the World section, what could it look like for you to bless others, seek justice, and live more generously in this season?

If you woke up tomorrow and your YOU+ dream to have flourishing connections with God, the Church and the World came true, what would be different?

At the end of your You+ Conversation, you will submit your [GAME PLAN HERE](https://lp.ccbchurch.com/goto/forms/61/responses/new).

* This is a critical piece of the You+ experience. Please be sure to submit this during your conversation.

We want you to know that the LaunchPoint leaders have been praying for you to draw closer to God during this experience and over the next year. We can't wait to see what He does in and through your life!
